Dear Sir/Madam :

Following your application to register in the CAC/CIDA Consultant Pool, I am pleased to inform you that you have been selected.

As CIDA and CAC identify the expertise required for particular project assignments, consultants will be contracted from this Pool. You may therefore be approached to participate in assignments with the CAC/CIDA Arrangement.

Relevant information from your application has been added to our database. Please find attached a copy of your profile. Since it is critical that this reflects your expertise, please inform Diane Dagenais (996-3384) or Mickie Penney (992-8290) of any amendment you consider appropriate.

We look forward to working with you.

Yours sincerely,

Robert Burwash
Director
International Services Directorate
